

The Kentucky International Convention Center held its Grand Opening on August 6th

BiF celebrates the grand opening of the new \$207 million renovation of the Kentucky International Convention Center just a few blocks away from the AC Marriott Hotel NuLu. We congratulate BiF board member, Michael Grisanti, Secretary/Treasurer of the Louisville Convention and Visitors Commission, for this achievement.

The renovated Convention Center will welcome visitors from all over the world and the AC Marriott Hotel NuLu will offer them with a uniquely modern experience to relax, gather, have fun and enjoy the delightful neighborhood we call NuLu.
