1. Are you presently a citizen of the United States of America or a legal alien with the right to reside in the United States of America?		
2. Do you intend to obtain any investment on behalf of a person, business, or entity that was formed (in the case of a business or entity) or now resides in any State or Territory of the United States of America?		
3. Are you a natural person whose individual net worth, or joint net worth with your spouse, exceeds \$1,000,000 USD? For purpose of this calculation, "net worth" is equal to the fair market value of all assets other than your primary residence, less all liabilities.		
4. Are you a natural person who had an individual income in excess of \$200,000 USD in each of the two most recent years, or joint income with your spouse in excess of \$300,000 USD in each of those years, and has a reasonable expectation of reaching the same income level in the current year?		
5. If you expect to invest at least \$500,000 in Membership Units of a New Commercial Enterprise, does the total purchase price exceed 10% of your net worth or joint net worth with your spouse at the time of sale?		
6. Is this investment consistent with your overall investment strategy?		
Please indicate that you have read the disclaimer on page 2 of this form.
